In this weekend you will learn 18 postures for greater health, relaxation and energy; the 6 phases of the powerful breathing technique, known as "kriya kundalini pranayama" to awaken and circulate subtle energies; 7 techniques of meditation to cleanse the subconscious, to master the mind and to bring about realization of the Self and Absolute Reality.

Amman first learned about Babaji as a teenager in 1969 and was initiated into kriya yoga in 1970 by Yogacharya J. Oliver Black, a lay minister of SRF and direct disciple of Paramahansa Yogananda. In the mid 1980's he lived with Yogacharya Black at his yoga retreat in northern Michigan. In 2006 Amman rediscovered Babaji and has since then gained greater insight into yoga through Babaji's Kriya Yoga. Amman has spent most of his working life in northern and western Canada in the environmental field and continues to work with the Ministry of Environment in Saskatchewan. Amman has taught hatha yoga at the yoga center in northern Michigan, in a corrections facility in Saskatchewan and continues to teach from his home north of Saskatoon.
