KRIYA YOGA is a holy scientific art of inner alchemy for perfect union with God/Truth, a synthesis of the ancient teachings of the Siddhas, India's mystic age free sages and spiritual Yoga adepts, revived for today's humanity by Mahavatar Kriya Babaji Nagaraj, nowadays taught in various branches of his disciples.

Babaji's Kriya Yoga Order of Acharyas, founded by M. Govindan Satchidananda inspired by his teacher Yogi S.A.A. Ramaiah and Babaji, initiates in three progressive stages into a series of 144 Kriya techniques, based on the teachings of Babaji's Kriya Yoga and the ancient South Indian **18 SIDDHA YOGA TRADITION**, represented by the substantial Tirumandiram Tantra Yoga of Siddha Tirumular, the Yoga of Secret Inner Alchemy of Siddha Boganathar, and the famous Yoga Sutras of Siddha Patanjali.

IN THIS PROGRAM

You receive ancient wisdom and insight with clear instruction and with practical training in using substantial Kriya techniques to awaken, circulate and increase subtle energies and your Life Force, to purify, heal and strengthen your body and your mind (all bodies of our being), to burn your Karmas, and find your Dharma, to enhance your awareness in action and expand your consciousness, and to unfold your full human potential.

You learn a pranayama, a powerful transforming and magnetizing breathing technique in six phases, further seven meditation techniques, to prepare the mind, and for manifestation, and specific Asanas, to prepare the body, and for greater health, and in a sacred Puja opening ceremony, a Mantra to connect with Kriya Babaji's Grace and your inner Guru within, and you receive a step by step guidance on how to integrate your Yoga into your usual lifestyle.

THE PATH

of this lineage contains three progressive programs starting with this first initiation weekend program.

A second initiation residential retreat program covers more aspects of the integral path of Yoga, with a purifying fire ritual (mantra yagna) and mantra initiation (diksha), more Pranayamas, awareness training, and teaches how to constantly practice Yoga and action with awareness during daily life.

A third initiation 9-day advanced training residential retreat program teaches a series of 144 Kriyas, including techniques to purify the bodies, develop subtle energy powers (siddhis), and the Samadhi Kriyas for mystic states of consciousness in meditation.

Repeating initiation programs is appreciated by many Initiates to deepen, refresh and expand their experiences and insights

THE TEACHER: Satyananda, Acharya in Babaji's Kriya Yoga Order of Acharyas, is certified in Psychology and Psychotherapy, studied spiritual wisdom of the world since childhood, worked in clinical and corporation settings, studied Vedanta and Yoga for one decade, and exclusively dedicated one decade to intense study and practice of Babaji's Kriya Yoga, while serving its students in Karma Yoga.
