Dear Kriyaban,

Om Kriya Babaji Nama Aum

We have the pleasure to invite you to a conference, "Siddhantha, Advaita and Yoga," which has been prepared by M. G. Satchidananda to celebrate our Guru lineage of Babaji and the 18 Siddhas.

I am sure that many of you have found some answers in your practice of Yoga and Vedanta. Today, I propose to explore some questions and answers which may assist you. I invite you to participate actively in this session as a practitioner of "jnana yoga", which is the application of the intellect to wisdom teachings and the experience of truth or "Sat". I will also share many photos and paintings to help illustrate these.

The presentation will be offered in various languages for our initiates all over the world,

according to the following schedule on the next page.

Login details you will find latest one week in advance on our website under »[Online Conference](#) {link webpage section}
