

## **Quarterly (Q3) Online Satsang with Satchidanandaji – June 28, 2026**

Dear Kriyabans,

Om Kriya Babaji Nama Aum

We are delighted to invite you once again to gather in the sacred company of Satchidanandaji for our Quarterly Online Satsang on June 28, 2026. The last Satsang was blessed with the presence of more than 150 initiates, and the collective energy was truly uplifting. The collective energy was unforgettable, hearts opened, practices deepened, and many felt the living current of Babaji's Kriya Yoga flowing through them. This is the power of Satsang: when we come together, the light multiplies, and transformation becomes real.

To listen to the lineage holder is a rare privilege, it is not just hearing words, it is receiving the vibration of the tradition itself. Each Satsang is a doorway that opens us to deeper practice, dissolving doubts, and reminding us of the unbroken stream of wisdom flowing through our tradition. These Satsangs are just not transmission, they are living reminders that initiation is a journey, nourished by the master's guidance and the sangha's shared devotion. Satsangs are moments when the individual flame joins the collective fire. They strengthen our meditation, renew our devotion, and remind us that we are never alone on this path. The presence of the master and the shared sincerity of fellow seekers create a current of transformation that carries us forward long after the session ends:

Every Satsang is a chance to recharge spiritually, to feel uplifted, and to carry that inspiration into daily life. Do not miss this chance to recharge your practice, dissolve doubts, and feel the strength of our spiritual family.
